sermons this Sunday

A festive background featuring a light blue sky filled with colorful confetti. On the left and right sides, there are vertical strings of balloons in green, yellow, blue, red, and purple, each with a long, wavy ribbon trailing down. The overall theme is celebratory and bright.

God,
Hold My Hand

to show us when we've been drifting spiritually

it's never too late to be delivered from a "bad road!"

God can lead you on a better road with a better destination

to show us that now is the time to get out from
under enslavement and bondage

God hates your darkness more than you do and He wants to get you
out of it!

Ain't no chain He can't break!

to show us that now is the time
to quit being a fool!

some people can take in just enough of the world to foolishly think they
don't need God!

the height of folly is not realizing you need Jesus!

to show us that there are some storms we were
never designed to handle!

some things are just too big, too bad, too overwhelming
for you and me!

PTL – I don't need to figure everything out on my own!
